[1] Companies operating oil and gas field properties were permitted to make only one report for oil and gas field operations in each State. Companies engaged only in performing other mining services were permitted to make only one report for each State; these reports were classified on the basis of the principal service performed. Such reports contained employment on March 15 and other selected data by the State and county. For such operations, the State total figures shown for the State and those shown for number of establishments In a county represent the number of reports received which were classified in the State and those shown for number of establishments In a number of reports that indicate any operations in the specified county. All statistics shown which were not reported separately were obtained by allocating the totals for each company on the basis of the reported county data,
